

18th Croatia Boat Show in Split from April, 13th – 17th 2016

This year SSM United – Ship Management was part of Croatia Boat Show – one of the most important nautical fairs in Croatia.

One more time, Split city port hosted the most beautiful and attractive yachts and boats in their natural environment, together with renowned nautical brands and accessory stores. Together with this nautical story, there were the most important car companies, real estate agencies, marina operatives, charter agencies, charter supply companies and many other nautics related companies.

This fair for many years in a row has been setting and confirming world standards in nautical fairs and it has been huge honor for our company to be part of this.

In the first place, SSM United has presented Maritime Training Centre with focus on courses for skippers like Boat Skipper cat. C, Yacht Master cat. A up to 100 GT and Yacht Master cat. B up to 500 GT, but also special staff training programmes for superyachts and cruise ships.
