

## **38th international nautic, hunting and fishing show in Belgrade from March 30th to April 3rd**

For couple years in a row SSM United – Ship Management is being a part of one of the most prestige international nautic fairs.

Every year various international ship manufacturers and agents, local ship designers and manufacturers, nautical equipment manufacturers and sellers, hunting, fishing and camping equipment, water sports equipment, sailing schools and training centres, charters, nautical magazines and many other nautical institutions are presenting their products and services.

Many visitors form Croatia, Serbia, Montenegro, Macedonia and many other countries have visited the fair and enjoyed in interesting programme and exhibitions.

We have presented our company with all the services we offer. Special accent was on our Crewing agency and Training centre courses for skippers (Boat skipper cat. C, Yacht Master cat. A and Yacht Master cat. B). We have also presented special training programme for staff on passenger ships and superyachts as novelty in our training centre.

It was our pleasure to be part of this kind of event and we are looking forward to be part of the fair next year.
